Col. J. H. Livingston is back from a month's visit to his old home in South Carolina. While there he visited many portions of the farming districts and says the country has undergone an almost entire change since he left there about twelve or fifteen years ago. He says the big plantations have been cut into smaller ones and nearly the whole area is in cultivation. Some of the farmers who have grown sons complain that they have not land enough and an interest in Florida is being awakened amongst them. They are hard-working, industrious and thrifty people, are thoroughly familiar with the cultivation of corn, oats, cotton, sugar cane and other products suitable to our soil, and if any number of them can be induced to move here they will prove of inestimable benefit in the state's development.

The popular view of the relation of the blood to human character and conduct is marked in many a familiar expression. We speak of there being "bad blood" between people at enmity, of "blue blood" as indicating ancestry, of "black blood" as describing a treacherous nature, and in many another phrase mark our belief that in the mental, moral and physical man, "the blood is the life." The one basis of a healthy, happy and useful life is pure blood. With the blood pure disease has no permanent lodging place in the system. For this reason the use of Dr. Pierce's Golden Medical Discovery cures the body of diseases which have their origin in impurity of the blood. It absolutely purifies the blood, carrying off the waste and poisonous matter, increasing the action of the blood-making glands, and building up the body by supplying the blood in quantity and quality such as is essential to a condition of health. It cures ninety-eight people out of every hundred who give it a fair trial.

## MEMORIAL DAY EXERCISES.

### DICKINSON CHAPTER U. D. C. ENTERTAINS CONFEDERATES.

THE LADIES FURNISH A BOUNTIFUL FEAST FOR THEIR HUSBANDS, BROTHERS AND FRIENDS.

Mr. Raymond Bramhall Bullock Orator for the Occasion—Professor Varn also Delivers an Excellent Address.

Rain Prevented Parade and Decoration of Graves—Metropolitan Band Furnished Patriotic Music—An Excellent Program Rendered.

Dickinson Chapter United Daughters of the Confederacy made last Monday memorable in the annals of commemorative exercises.

Mrs. Fanny R. Gary is at the head of the chapter and her very name is a synonym of success.

The 3rd of June was selected because it was the birthday of Jefferson Davis, and the legislature of Florida had made it a legal holiday.

The object of the observance, as stated in the invitation of the Daughters, was to honor the living, now gray-haired veterans, and to decorate the graves of the dead heroes of the Confederacy.

The latter was prevented by the downpour of rain, but nothing was omitted to make the other features of the program successful and memorable.

A magnificent dinner was given in a vacant store on the west side of the square, at which fully a hundred veterans or the sons of veterans were seated.

The menu was in every way as excellent as that of any of the East Coast hotels, and, besides the substantial and delicacies, included delicious cakes, pies, ice cream, sherbert and coffee.

Owing to the weather the parade and march to the cemetery had to be abandoned, but the daughters, veterans and invited guests repaired to the armory where the other parts of the program were carried out.

The Ocala Metropolitan Band rendered stirring and patriotic music.

Rev. C. M. Gray, rector of Grace Episcopal church, delivered a beautiful and appropriate prayer.

A quartet, composed of Mrs. and Miss Whitfield, G. A. Nash and M. M. Little, sang delightfully, "Tenting on the Old Camp Ground."

Mrs. Fanny R. Gary, president of Dickinson Chapter, in a strong, clear, fervid and felicitous address, conferred the cross of honor upon the following named veterans: Gen. Robert Bullock, Capt. G. M. Hubbard, Capt. S. C. Stone, Lieut. E. T. Williams, Sargt. Leonard Dozier, Sargt. John R. Whaley, Privates John W. Waters, L. M. Graham, W. H. Luffman, W. H. Livingston.

There were also crosses for Capt. J. C. Dupree and Lieut. D. H. Irvine, but they were not present to receive them.

As these battle-scarred, silver-haired veterans stepped forward to be decorated with these crosses of honor they were heartily applauded.

Miss Johnnie Liddon and Miss Violet Harris, daughters of veterans, pinned these crosses upon the coats of the veterans.

A committee, consisting of Commodore T. D. Crawford, John M. Martin and Frank Harris, of Marion Camp No. 56, expressed the thanks of the camp to the daughters in the following manner:

"WHEREAS, appreciating the magnificent dinner and beautiful commemorative exercises given the Confederate veterans this day by Dickinson Chapter of the U. D. C., and desiring to express our heartfelt gratitude for the repeated evidence of kindness and love bestowed by them upon the Confederate veterans for the memories we hold so dear. Be it therefore,

Resolved, That Marion Camp No. 56 hereby returns its profound thanks to Dickinson Chapter U. D. C., for their patriotism in keeping alive the memories of our heroic struggle and pray for them God's protection and richest blessings."

Mr. Raymond Bramhall Bullock was the chosen orator and delivered an address in all respects admirable, and will add to the laurels he has

already achieved as an eloquent speaker.

Ocala has reason to feel justly proud of him.

Professor Varn's eulogy of President Jefferson Davis was a finished production and shows him to be a close student of history. Our only regret is that it is impossible to print both of these speeches in full in our columns, for they certainly merit the widest publication.

It is to be regretted that Gen. J. J. Dickinson was unable to be present on account of sickness in his family.

The following committee were appointed to decorate the graves on Tuesday morning: Capt. G. M. Hubbard, Maj. T. D. Lancaster and Mr. W. C. Jeffords. They were assisted by a number of ladies.

Piano Recital by Miss Gamsby's Pupils.

Tuesday night at the armory the twelfth annual concert of the music pupils of Miss Kate E. Gamsby took place. The class is an unusually large one this year and each and every one who participated is deserving of special mention. The number of beautiful bouquets received by the class testified to their popularity.

The following is the program that was so beautifully rendered:

Duet, "Scherzo".....Sponholtz, Alice Bullock and Myra Birdsey.  
"Gale".....Mary Gates.  
"Valse in A Flat".....Guritt, Anna Mixon.

After the program was rendered, Mr. W. S. Bullock presented the medals with a few well chosen remarks.

The greatest number of perfect marks obtainable during the term is 240. Of this number, Miss Jessie Palmer in the senior class received 237, and was presented with the gold medal. In the junior class, Jean Austin received 226 perfect marks and was presented with the silver medal. Guy Zewadski, in the senior class and Beatrice Ottensosser, in the junior, came second, and deserve honorable mention for their work.

Beware of Ointments for Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by druggists, price 75c. per bottle.

## SOCIETY LAST FRIDAY.

Friday afternoon Miss Lena Bullock was the charming hostess of the Young Ladies' Whist Club. Progressive whist was played on the broad piazza until dark, when dainty refreshments were served. The club prize—a vase—was won by Miss Sara Harris, while the visitor's prize—a combination pocket-book and card case—was captured by Mrs. L. W. Davis.

The younger society girls have recently organized a Crokinole Club, to meet every Friday afternoon. Last Friday they were delightfully entertained by Miss Beatrice Sinclair.

Miss Johnnie Liddon most charmingly entertained her friends Friday night at her lovely home on Oaklawa avenue, complimentary to Mr. Eugene Cox, who left yesterday for Philadelphia to study pharmacy. Mr. Cox is a very popular young man and will be greatly missed during his absence.

On Friday night Miss Emily Ford entertained a few friends, complimentary to her brother, Mr. Don Ford, who has just returned from Stetson University. The principal feature of the evening was the guessing of hidden authors. This contest proved most interesting and resulted in a tie between Misses Ethel Robinson, Clara Gray and Sara Harris, Messrs. John Taylor, Tom Harris and Master Morris Smith. The prizes were won on the cut by Miss Harris and Mr. Taylor. Dancing, blind man's buff and other games were played until midnight.
